Dr. Lui Che Woo, the Chairman of GEG and K.Wah, has an extensive background in developing hotel, resort and entertainment projects. Dr. Lui Che Woo established the first K. Wah company in Hong Kong in the 1950s, and under his leadership, the company has developed into a multi-national conglomerate involving properties, hospitality, and construction materials. In 2012, he was awarded the Grand Bauhinia Medal by the Government of the HKSAR for his significant contribution to regional development.

Committed to enriching the tourism offerings of Macau, GEG strives to introduce a diversity of entertainment and resort facilities to the city. Offering a diverse mix of world-class accommodation, entertainment and leisure amenities, the five-star flagship property StarWorld Hotel has garnered over 30 accolades since its opening in 2006.
